AN END-TO-END EDUCATION PLATFORM
THAT HELPS YOU DO ONE THING
UPLIFT LEARNER OUTCOMES

Content Engine | Adaptive Learning
Diagnostics | Experience

WWW.CLEVARA.COM

Clevara is an end-to-end, modularised learning platform that helps organisations and content providers uplift their learning outcomes.

A powerful, flexible, cloud-based solution, Clevara brings an integrated approach to learning design, diagnostics, content and learning pathways.

Focused on efficacy, each solution is customised to meet the specific needs of your learner. From hand-crafted adaptive algorithms to a powerful smart content engine serving your users the right content, benchmarked to where they need to be.

Curriculum Management

Know what the learner wants to learn

Benchmarking

Benchmarking knows your learners goals

Content Engine

Serve the right person, the right content, at the right time

Adaptive Learning

Adapt each learners pathway to suit their needs

CLEVARA EXTENDS THE PUBLISHING VALUE CHAIN

Content Creators

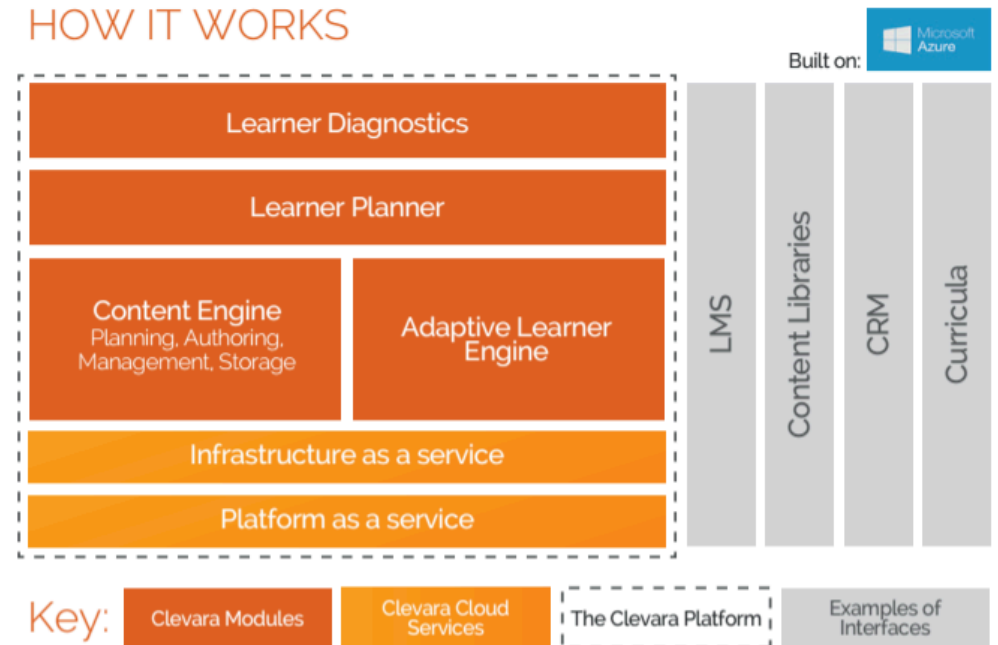

Publishers

Learning Institutions

Our unique value-driven business model helps all parts of the value chain grow.

HOW IT WORKS

We identify the modules you need and customise them to meet your learners needs.

WHO IS CLEVARA FOR?

Higher Ed

K-12

Professional Learning

Skills 2 Work

Language Learning

The platform has been created to work across the full spectrum of learning. Because we customise each experience, the same platform can deliver powerful results to children starting to read or Doctors looking to stay up to date, it can help school leavers find apprenticeships or help someone learn a new language.
